

دليل البحث عن شهادة رقمية

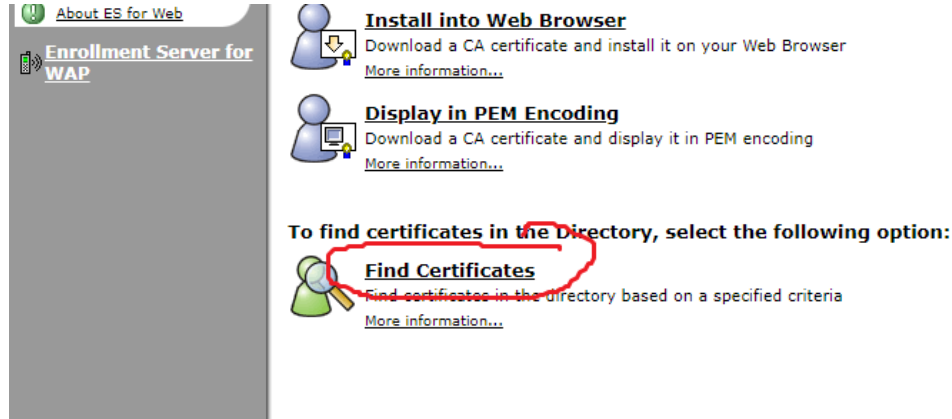

خطوات البحث عن شهادة رقمية

للبحث عن شهادة رقمية للمستخدم، قم بتنفيذ الخطوات القادمة:

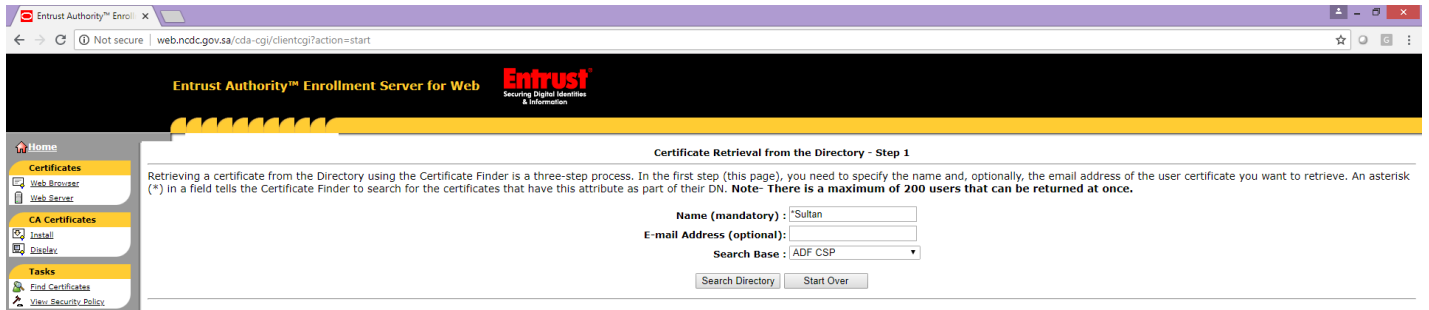

1. الدخول على الخاص بالخدمة <http://web.ncdc.gov.sa/cda-cgi/clientcgi?action=start>

2. الضغط على خيار Find Certificates

3. تعبئة حقول البحث ومن ثم الضغط على Search Directory

4- الاطلاع على الشهادات:

The screenshot shows a web browser window with the URL `web.ncdc.gov.sa/cda-cgi/clientcgi?action=start`. The page title is "Entrust Authority™ Enrollment Server for Web". The main content area is titled "Certificate Retrieval from the Directory - Step 2". Below the title, a message states: "Certificate Finder found the following users matching your search criteria. Please, make a selection by clicking on one of the hyperlinks below." The search results are for the entry: "ou=NCDC CSP,ou=Government CA,o=National Center for Digital Certification,c=SA - 4 entry(ies) found". The results list four entries, each with a checkbox and a hyperlink:

- [ou=NCDC CSP,ou=Government CA,o=National Center for Digital Certification,c=SA](#)
- [ou=NCDC CSP,ou=Government CA,o=National Center for Digital Certification,c=SA](#)
- [ou=NCDC CSP,ou=Government CA,o=National Center for Digital Certification,c=SA](#)
- [ou=NCDC CSP,ou=Government CA,o=National Center for Digital Certification,c=SA](#)

The left sidebar contains navigation links: Home, Certificates (Web Browser, Web Server), CA Certificates (Install, Disable), and Tasks (Find Certificates, View Security Policy).
